### The Happy Dog Paw opens downtown

Grooming, healthy food and toys? A Grayling downtown storefront has gone to the dogs.

The Happy Dog Paw opened for business at 208 E. Michigan Ave. next to Flowers by Josie/Thanks A Latte, on Dec. 6. Jennifer Darrell Sauter leased the building from Jeff Emmons, who operated the Grayling Pharmacy there before taking a job at Walgreens.

Jennifer is a dog trainer/groomer who operated an on-line store selling dog supplies in recent years.

"We've always wanted to have a store so we just decided to go for it," Jennifer said. Pg. 7

### Vikings dominate Bucks 80-42 in opener

The Grayling Vikings opened their 2010-2011 varsity boys basketball season with an 80-42 victory vs. the visiting Roscommon Bucks last Tuesday.

The Vikings didn't get off to a fast start - Roscommon had a 7-3 lead 3:20 into the contest - but they outscored the Bucks 47-14 in the last 12:40 of the first half to lead by 32 at half-time.

The Vikings were able to score from all over - inside, midrange, and the perimeter (four three-pointers in the first half) - and five different players finished with double-digit points. Pg. 8

### Grayling wins JV game 57-50 vs. Benzie Central

In a junior varsity boys basketball contest that was close all the way through - the biggest lead for either squad on Friday night was Grayling's 11-point advantage late in the fourth period - but the Vikings ultimately edged the visiting Benzie Central Huskies 57-50 in a game that featured several lead changes.

The Vikings trailed by as many as nine, but a second half rally late in the third period got GHS back into the contest. Pg. 11

## Cruising for cookies at annual holiday event

The St. Mary's Women's Club held their annual cookie walk in the St. Mary Church's Family Center on Saturday. Area residents had a huge selection of cookies, which they placed in holiday decorated tins, at the successful event which raised \$1,150. Proceeds from the cookie walk go toward paying for furnishing and decorations in the church. Above, Jim Failing looks over an assortment of cookies.

## Exchange student rep is top notch

by Dan Sanderson  
Staff Writer

A Grayling woman who has placed over a dozen foreign exchange students in schools to study with local youth was recently recognized for being at the top of her field.

Laura Schans was recognized as the U.S. Area Representative of the Year for the Cultural Academic Student Exchange (CASE) Program during a trip to Buenos Aires, Argentina in November.

Schans was hired to serve as CASE area representative in April 2009. Her first student, Andy Divella from Ecuador, was placed in the home of Michele and Jeff Steffey and family.

But Schans' involvement with foreign exchange students goes much farther back. For 18 years, the Schans family lived next to Mike Shearer, who has hosted 29 foreign exchange students in his home.

"I met many, many wonderful young people from living next to Mike," Schans said. "It's really enjoyable working with the young teens and finding out that even though they are from across the big pond - which ever one that is - all the parents are the same and the teens are the same."

Schans recruited 14 students for the 2010-11 school year. Most of students are attending Grayling High School, while another student is enrolled at the Gaylord High School.

School districts receive funding to host the students and families are asked to provide a warm, loving environment to the students and apply the same rules and curfews their children must adhere to following. In return, the families learn each other's customs and cultures.

## LOGGING SLED READY TO RETURN TO CRAWFORD COUNTY HISTORICAL MUSEUM

by Dan Sanderson  
Staff Writer

While youngsters are readying their sleds, sleighs and toboggans for the winter season, a sled used during Grayling's turn of the century lumbering boom will be back on display after Old Man Winter is finishing walloping the area.

Earlier this year, the refurbishing of an 1800's era logging sled found submerged in the sand in Lake Margrethe 22 years ago was completed.

Back in 1988, Police officers Tim Coe and Bob Butzin were engaged in a dive team practice exercise when they found the logging sled. The sleds were used to transport logs across the ice to a train located on the other side of the lake.

Coe cleared about a square foot of sand away from the submerged object and confirmed it was a sled by feeling the runners underneath. He marked the area with a submerged buoy, recorded coordinates of the location since there were no GPS units at the time and drew a sketch of the sled.

"It was the most exciting thing I have ever found on a dive since it was something that was so historical and in such good shape," Coe said.

Over the course of several dives, the officers and the Crawford County Sheriff's Department's Dive Team was able to uncover the sled. With permission from the Michigan Department of Natural Resources, the sled was removed from the

waters of Lake Margrethe using special equipment to bring it to the surface and to shore.

"It was kind of a coordinated effort on the part of a lot of people," Coe said.

Because the sled was found in a part of the lake under State of Michigan ownership, it went to the Hartwick Pines State Park for display.

The sled was later donated to the Crawford County Historical Museum in 1999.

A double whammy of time and weather did its damage to the wooden sled to where it became a safety hazard in the museum courtyard.

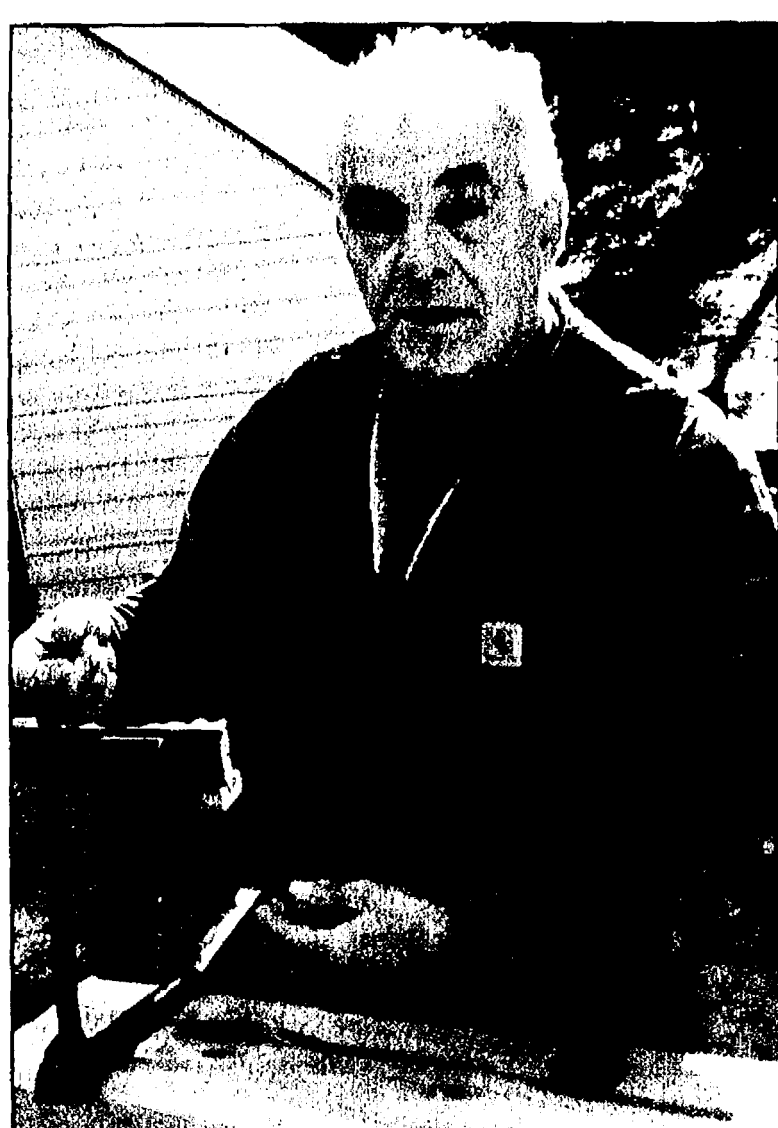

Rich Silova, Bret Black, Allen Dickie, Mike Arwood, Travis Roberts Justin Wethington and Jessie Cde Baca from the Grayling Firefighter's Association dismantled the sled for the museum in 2007.

Joe Duran, the building and zoning director for Crawford County, volunteered his time to rebuild and refurbish the sled.

Initially, Duran estimated it would take a year to refurbish the sled along with the help of other volunteers. But because of busy schedules on the part of many involved, the task turned into a three-year effort.

Duran, a building contractor, has a wood-working shop and small sawmill on his property. He was astonished by the craftsmanship that went into building the logging

## Frederic Library receives grant to promote literacy

by Dan Sanderson  
Staff Writer

Great Lakes Energy's People Fund is powering early and teen literacy at a branch library for the Crawford County Library System.

The Crawford County Library System received a \$1,200 grant from Great Lakes Energy's People Fund, which was used to purchase a laptop computer, a printer and literacy based software for the Frederic Township Library to use for literacy programs.

Frederic Township Librarian Bill Sharp spearheaded the effort to write the grant since Great Lakes Energy is the power provider for Frederic and Maple Forest Townships, the populations that utilize the Frederic Township Library.

Connie Meyer, another Frederic Township Librarian,

said the equipment would be utilized at the library as well as at the Frederic Headstart program housed at the former Frederic Elementary School.

"Just getting kids to read is an issue everywhere and it has always been a big issue," said Meyer, a former teacher.

The software purchased through the grant includes a number of games used to teach reading, literacy and mathematics from infants to 19-year-olds.

"We have a lot of games that will be available for use by all ages and it really covers a wide range," Meyer said.

Twenty grants were awarded for a total of \$42,915 at a recent Great Lakes Energy People Fund board meeting for the electric cooperative's northern region.

The People Fund is sup-

ported solely by Great Lakes Energy members who allow their electric cooperative to round up their bill each month to the next dollar. Since 1999, more than \$1.8 million in grants have been awarded to charitable and community organizations throughout Great Lakes Energy's 26-county service area, which stretches from Kalamazoo to the Mackinac Straits.

"Great Lakes Energy members support The People Fund by contributing a few cents each month by rounding-up their bill," said President/CEO Steve Boeckman. "We're receiving more grant requests than ever before and we appreciate the continued support of this program that benefits local community organizations."

Non-profit organizations can apply for the next round of funding by Feb. 1, 2011.

## Grayling exchange student representative is top notch

Continued from Page 1

"That's the biggest benefit is getting to know the kids and some of their customs," Schans said.

Staying involved as a CASE area representative turned into a blessing in disguise for Schans and her family earlier this year, when two of her brothers died following battles with cancer. Peter Paulus, 55, from California, came to live with Schans and her family in Grayling while he received Hospice care. He died on July 19. Marty Paulus, 67, of New Baltimore, died on Aug. 18 after being taken off of life support equipment.

"Through it all, she kept on working, and that was her motivation was to keep helping people and placing students in the community," said Sandy Storer, a field director for CASE.

CASE was founded in 1988. Schans was chosen out of 20 area representatives from across the country. The program is currently hosting 230 students for the school year, while larger companies bring over 2,000 students to study in U.S. schools.

"We would rather keep it small and focus on quality," Storer said. "I think that's what makes us very special is we are very grassroots, tabletop."

Schans and the company

plan on placing more students in other school districts located in northern Michigan for the 2011-12 school year.

"She is always, always looking for host families

and the ones that she's qualified have just been outstanding," Storer said. "Laura has matched up families very well and she hasn't had any relocations. Everybody's been very

happy."

Shearer said it was gratifying to see Schans recognized.

"She deserves this and she has worked very hard to get students placed in Grayling," said Shearer, adding that Schans served as a mother figure for students he has hosted. "That's pretty special and she pounded the pavement to get this award."

Laura Schans was recognized as the U.S. Area Representative of the Year for the Cultural Academic Student Exchange (CASE) Program during a trip to Buenos Aires, Argentina in November. Above, Stacy Lynn, the CASE program director, Schans and Sandra Storer, a CASE field director, are pictured at the awards dinner.

## Almanack

by Richard Milliman

### Rating Granholm as governor must wait

WINDING UP her eight years in Michigan's top elective office, Gov. Jennifer Granholm is predictably upbeat.

She broke pioneer ground as Michigan's first female governor; chances are pretty good she won't be the last.

"This has been the greatest privilege, the greatest job I have ever or will ever have, especially because I have served at a time of enormous challenge, when your decisions have the greatest impact," she said in one of several farewell resumes appearing in several Michigan newspapers recently.

She's absolutely correct about her eight years "of enormous challenge," centering on the continuing economic and employment crises which plagued most of her tenure as governor, and which still are far from settled.

It's unfair, however, to judge her conduct in office as she leaves it. Some of her actions as governor could have continuing effect on Michigan citizens, so the final judgment on Ms. Granholm's performance as governor is unclear now.

\* \* \*

MICHIGAN NEEDS new jobs, and Gov. Granholm devoted much attention to broadening Michigan's employment base for the future.

She has traveled the world trying to pull new jobs and new job makers from around the globe into Michigan to shore up our dwindling auto manufacturing base. Will these attempts bear lasting fruit?

The federal bailout to rescue General Motors and Chrysler from the brink of complete collapse may not have been possible without Gov. Granholm's strong and effective advocacy in Washington, including close ties with the White House. Will the rescue of the two Michigan auto giants endure?

She has championed tax incentives and start-up capital for job-creating ventures, especially in science and technology so much so that one editor's critical review opined that the Michigan business climate under Gov. Granholm "requires almost every new job created to be subsidized by state and local tax breaks." Will the investments justify the results?

Check back in about 10 years for a more accurate appraisal of

the Granholm tenure in shoring up Michigan's employment bases.

\* \* \*

MORE BAD news plagued Gov. Granholm's years in office. Tax revenues were in free fall, and governments at all levels felt continuing and deepening dollar pain.

Getting government income and outgo to come out even has been a constant struggle. Only two answers are possible. One is to increase income. The second is to reduce outgo. The result is usually a mesh between the two.

In my opinion, one of Gov. Granholm's greatest shortcomings as governor has been failure to bring reasonable compromises and improvements through the legislative process of building a state budget.

The governor's job is to propose a budget, covering both spending and taxing. She has done that each year.

The job of the legislature is to review and adopt the budget. Compromise between the administration and legislature often is needed to reach the final product.

The governor, elected by a majority of all the people, should have the upper hand in this

process, but Gov. Granholm never managed to command a budget situation.

As a Democrat, the governor held a partisan majority in the state House, but couldn't count on complete support for her budget proposals.

The state Senate was another matter, where Republicans hold a 23-15 majority. Lt. Gov. John Cherry, Democrat, is the presiding officer, but the real power in the senate has been held by Republican Sen. Mike Bishop as majority party leader.

\* \* \*

IN ALL THE battles for the annual budget and other legislative programs, Gov. Granholm has been only one part of an equally-weighted triumvirate of leadership, with Speaker Andy Dillon, another Democrat but a rather tepid one most of the time, and the heavy-handed, hold the line Sen. Bishop, speaking for 23 Republican senators, and in most cases, not only holding the trump card but playing it with extreme effect.

How did the office of governor become on the same level and frequently not as effective as a single

state senator?

One reason, of course, is the growth of extreme partisanship that has bedeviled American politics increasingly in recent years, where Republicans consider anything coming from a Democrat as bad, and vice versa.

This deadening exhibition of extremist partisanship is on display in Washington right now as Congress and the President battle the calendar before the present congress dies.

The infection has engulfed Gov. Granholm – and her Republican counterparts – during most of her time in office, too. It often makes progress very difficult, and nearly impossible.

Gov. Granholm somehow ceded the natural advantage of "the bully pulpit" of the governor's office, and in pursuit of the day to day operations of state government, never got it back.

Her effectiveness as a molder of legislation can be judged right now. It wasn't good.

## Viewpoint

By State Fire Marshal Ronald R. Farr

### Give life-saving, practical gifts this holiday season

The Bureau of Fire Services reminds consumers that while shopping for that perfect gift, don't overlook the gifts that keep on giving throughout the year, home safety devices.

"Smoke alarms and fire extinguishers may not be exciting gifts to give, but these inexpensive gifts can provide a peace of mind that is priceless," said State Fire Marshal Ronald R. Farr. "So if you are looking for practical holiday gifts, consider items that will protect your loved ones from fire this holiday season and throughout the year."

Facts and figures to consider for seasonal safety:

December, January and February are the deadliest months for fires.

The top 10 days for home fires in recent years were between Dec. 24 and Jan. 6.

Cooking and heating are the leading causes of home fires in the months of December through February.

Candle fires have nearly tripled in the past decade. Nearly twice as many home candle fires occur in December than any other month, perhaps because of holiday decorations and seasonal celebrations.

Farr said that although traditional, fire-burning candles are commonly given as gifts, a much safer alternative would be to give battery powered candles. Many types and styles are on the market that emit a comforting glow and can be even be found in various scents.

When purchasing life-saving gifts, be sure to look for the Underwriter's

Laboratories (UL) label. The UL label means the device has passed certain safety tests.

Here are suggested gift items from the National Fire Protection Association (NFPA):

Carbon monoxide detectors to alert loved ones of a silent killer, carbon monoxide. Carbon monoxide is a colorless, odorless gas formed when fuels such as natural gas, oil and wood burn incompletely. While a carbon monoxide detector won't help keep your loved ones safe from fire, it's something you should consider for home safety.

Smoke alarms are one of the best fire-safety items for the home. Seventy percent of all home fire fatalities occur in homes where there are no smoke alarms or no working smoke alarms. Consider smoke alarms for everyone on your list. Smoke alarms for people who are deaf or hard of hearing include strobe lights, high decibels and/or vibration. All smoke alarms should be replaced after 10 years.

Flashlights prevent fires by using flashlights instead of candles during power outages.

Sturdy candleholders help prevent tip-over when candles are lit. Lantern-style candle holders can reduce the likelihood of something coming in contact with a candle flame.

A secure fireplace screen keeps embers out of the room.

Long fireplace matches prevents burns.

Gift certificates for clean-up services to remove fire-prone clutter

from basements, attics or yards; or for chimney sweeps to prevent creosote build-up that can cause chimney fires.

A bathrobe with tight-fitting sleeves that won't touch stove burners while cooking.

Down or synthetic comforters, flannel sheets or flannel pajamas to keep a loved one warm, and to reduce the need for space heaters, particularly at night. Generally, space heaters (fixed and portable) are involved in two-thirds of home heating fire deaths.

Large, deep, non-tip ashtrays to help prevent smoking materials from igniting materials nearby.

Portable fire extinguishers with safety tips on how to use them. Make sure the recipient reads and understands the instructions before having to use them. A multi-purpose and dry-chemical type is recommended.

Fireproof oven mitts for stove or barbecue grill to help prevent burns.

Large house numbers to help firefighters locate a home at night quickly during an emergency.

Batteries for smoke alarms and flashlights.

Download loads of fire safety information, including home escape grids, from NFPA's website, at [www.nfpa.org](http://www.nfpa.org), or for children, try NFPA's [www.sparky.org](http://www.sparky.org).

The Bureau of Fire Services wishes everyone a happy and safe holiday season. Visit the Bureau of Fire Services website at [www.michigan.gov/bfs](http://www.michigan.gov/bfs) for more fire safety information.

## Holiday musical to be held

A holiday musical program will be held on Friday, Dec. 17, at 7 p.m., at the Beaver Creek Township Hall. All are welcome.

## Holiday concert featuring Switchback to benefit the Grayling Rotary Club

The celebrated band Switchback is performing a benefit concert at the Grayling High School auditorium on Wednesday, Dec. 29, at 8 p.m. Proceeds will support the Grayling Rotary Club's community efforts. The concert will feature holiday songs, the most beloved Irish melodies and award-winning Switchback originals.

Brian FitzGerald and Martin McCormack of the duo Switchback have been playing their brand of eclectic Celtic and Americana music at sold-out concert halls, performing arts centers and festivals around the world for almost 20 years.

This year, they will make a stop at the Grayling High School auditorium located at 1135 North Old U.S. 27. This will be Switchback's second year in Grayling.

In 2008, the Irish Music Association presented Switchback with the award for the "Top Duo in a Pub, Festival or Concert" for the USA, Ireland, the EU and the UK and they were nominated again this year, in two categories.

Brian FitzGerald and Martin McCormack both grew up in large families and music was a daily part of life. They performed in family bands and worked with many of the top Celtic and American roots music legends including Jethro Burns.

It was 1993 when these two talented singer/songwriters formed Switchback and set out on the road to take their "American Roots and Celtic Soul" brand of eclectic music to performing arts centers, music halls, pubs and festivals here in the

U.S., Canada, Ireland, Italy, The Netherlands and other countries around the world.

During the period from 1993 to present day, the duo has crafted a series of 12 award-winning Celtic and Americana albums. One reporter wrote, "I was told Switchback fuses Irish, Cajun and Blues musical styles. I wasn't convinced, so I went to check them out. I walked in the door a doubting Thomas and became an immediate fan."

Switchback's vast repertoire covers many musical styles, from jazz to country and classical to pop.

Switchback's holiday concerts are always a crowd pleaser by including lots of audience involvement and singing along with well-known favorites such as "Jingle Bells", "Away in the Manger", "Up on the Housetop", "Oh Holy Night" and "Frosty the Snowman".

In 2005, Switchback released an album titled, A Very Switchback Christmas, which contains all of these songs and others such as, "Silver Bells" and their classic version of "Silent Night" with an extra verse in Gaelic.

The show is also filled with stories of their travels and a healthy dose of comedy thrown in for good measure.

Tickets are \$10 and will be available from any Rotary Club member or JJ's Motor Mall, Century 21 River Country RE, Edward Jones or Flowers by Josie, all in Grayling.

## Church choir to present 'Glory in the Highest'

The Michelson Chancel Choir is presenting an exciting new work titled, "Glory in the Highest - a New Hallelujah" this weekend.

The concert will be held at 7 p.m. on Saturday, Dec. 18 at the Michelson Memorial United Methodist Church located at 400 Michigan Avenue.

Free and open to the public, this is a contemporary worship experience that features not only the choir with worship leader Chuck Hughes, but also area artists Carol Lovely, Joel Sheltrown and Diane Beauchamp.

According to choir director Jill Scarzo, the work combines powerful contemporary worship songs by Michael W. Smith, Paul Baloche and Chris Tomlin with several well-known traditional carols.

"This is a really unique musical both in the arrangement of the music and the style of presentation," Scarzo said. "There are very traditional aspects such as carol singing and a candle lighting ceremony, but also the more modern use of projected images and words on a screen. There is something for everyone. The music is simply gorgeous and the result is very moving."

"Lasting only an hour, everyone should find this presentation uplifting and a truly enjoyable celebration of Christmas," Scarzo added.

The Children's Choir will lead everyone in a rendition of Michael W. Smith's "A New Hallelujah" that was recorded and made famous by the African Children's Choir. Lovely and Sheltrown sing an awe-inspiring duet portraying Mary and Joseph in an appropriately titled "Knees to the Earth."

The evening's performance culminates in the presentation of "Glorious Day" sung by Beauchamp and Hughes, who give this

Casting Crowns hit all the justice it deserves with their full rich voices.

The Michelson Memorial United Methodist Church tries to bring high quality musical presentations to the community and hopes that everyone will take advantage of this free musical and opportunity to rejoice in the season.

The Michelson Memorial United Methodist Church is a barrier free facility. Everyone is also invited to a fellowship reception of holiday treats immediately after the concert.

# The Bible Speaks

## God's Love Is Humble

In Romans 12:9 God's love is described as honest, not hypocritical. "Let love be without dissimulation (or hypocrisy). Abhor (or hate) that which is evil; cleave (or be glued) to that which is good." In Romans 12:10 God's love is described as humble, not haughty. "Be kindly affectioned one to another with brotherly love; in honour preferring one another."

First, God's humble love is revealed as "kindly affectioned one to another...." "Kindly affectioned" is translated from a Greek word which speaks of natural family or kindred affection. 1 Peter 1:22 gives an excellent commentary on this verse: "Seeing ye have purified your souls in obeying the truth through the Spirit unto unfeigned love of the brethren, see that ye love one another with a pure heart fervently." 1 John 3:14,15 reminds us of the importance God places on this love: "We know that we have passed from death unto life, because we love the brethren. He that loveth not his brother abideth in death. Whosoever hateth his brother is a murderer; and ye know that no murderer hath eternal life abiding in him."

Second, God's humble love

is revealed as "with brotherly love." From the Greek word translated here as "brotherly love" we get our English word "philadelphia." "9But as touching brotherly love ye need not that I write unto you: for ye yourselves are taught of God to love one another." (1 Thessalonians 4:9). Hebrews 13:1 reminds us, "Let brotherly love continue." Jesus taught us in Luke 18:29,30: "29And he said unto them, Verily I say unto you, There is no man that hath left house, or parents, or brethren, or wife, or children, for the kingdom of God's sake, 30Who shall not receive manifold more in this present time, and in the world to come life everlasting." The "manifold more" He is speaking of is surely sharing in the blessings of a new spiritual family members within the local church."

Third, God's humble love is revealed as, "...in honour preferring one another." Philippians 2:3 is an excellent commentary on this phrase: "Let nothing be done through strife or vainglory; but in lowliness of mind let each esteem other better than themselves." "Lowliness of mind" speaks of real or true humanity. It is the opposite of pride and self conceit. It is the realization of the importance of each and every other member in the body of

Christ within the local church. As the Psalmist in 84:10 said, "10For a day in thy courts is better than a thousand. I had rather be a doorkeeper in the house of my God, than to dwell in the tents of wickedness." To be a doorkeeper in God's house was honored by the Psalmist with the same importance as being a prophet, priest, or holding any other office. There are no unimportant members in the body of Christ. This is the same truth we studied earlier in Romans 12:3: "3For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith." We should give to our head, Jesus Christ, preeminence in all things, then esteem others within His body to be of more importance than ourselves. Unfortunately there are many in local churches like Diotrephes in 3 John 1:9 who "loveth to have the preeminence among them...." God's love produces humility. Pastor "B"

### Card of Thanks

Anyone knows us, knows that our four dogs are our kids. On Saturday morning, Dec. 4, Cheyenne, one of our beloved dogs died tragically after a 10 day fight with a Brown Recluse spider bite on her ear. It caused extensive tissue damage from her ear to her lower chest. We suspect the spider must have come in on our firewood, stacked near the fireplace, where all lucky dogs like to sleep. It was a hard 10 days and a terrible weekend. Cheyenne was in and out of the Grayling Hospital for Animals and the Roscommon Veterinary Clinic a number of times in those 10 days.

She died in my wife's arms, while I was trying to hurry home from work. Very upsetting. Given the options by the on call vet of taking her out of town or keeping her cold ourselves until Monday, we chose neither. We wanted her to be in her hospital. We needed to get in touch with Shirley, the office manager of the clinic.

We were only familiar with first names and didn't know Shirley's last name. We made several phone calls reaching out for help to people and we were met with a number of dead ends.

Finally, we were able to speak with Shirley (Sanders), who interrupted a shopping trip with her daughter to open to Grayling Hospital for Animals. This

allowed Cheyenne to rest in her hospital. Only could this happen in Grayling. We love living here. People helping each other. That is the way it is supposed to work. Thanks to all those who helped make a difficult time a little better.

We would like to thank Dr. Paul Mesack, who gave it the old college try, you're awesome; Shirley Sanders, for obvious reasons; all the staff of the GHFA who helped take care of Cheyenne for almost nine years; John Jones, who offered to keep Cheyenne at his office and would bring her to GHFA himself on Monday; Ernie Dawson, who took time out to make phone calls to help us; the Becketts, who put up with several phone calls from me; Christ Brandt, who led us to the AuSable Valley Animal Shelter; the animal shelter for giving us Shirley's infamous last name; and to Joyce Renon, who ultimately contacted Shirley to help us.

It is our hope to inform as many people as possible about the hazards associated with this deadly spider. Our 80 pound golden retriever lost her fight to something smaller than a copper penny. Please, take precautions to protect your home from this invader.

# Vikings dominate Bucks 80-42 in season opener

## Five Vikings score 10+ in Tuesday's game

by Caleb Casey  
Senior Staff Writer

The Grayling Vikings opened their 2010-2011 varsity boys basketball season with an 80-42 victory vs. the visiting Roscommon Bucks last Tuesday.

The Vikings didn't get off to a fast start - Roscommon had a 7-3 lead 3:20 into the contest - but they outscored the Bucks 47-11 in the last 12:40 of the first half to lead by 32 at halftime.

The Vikings were able to score from all over - inside, midrange, and the perimeter (four three-pointers in the first half) - and five different players finished with double-digit points.

Grayling scored its first points with a drive by guard Zane Tobin. Center Griffin Dean hit one of two at the free-throw line. Forward Steven Enos scored two on a lay-up at the 4:39 mark, beginning what would ultimately finish as a 15-0 run by GHS. Two free throws by Enos tied the score at 7-7. Guard Riley Zigila hit two

free throws. Forward Tom Burrell made two inside shots for the Vikings. Zigila hit a jump shot. At the 1:34 mark, Tobin hit a three-pointer to put the Vikings up by 11, 18-7.

Roscommon scored the game's next two baskets. In the final minute of the first period, Dean scored on a put-back and an inside shot for Grayling. The Vikings led 22-11 going into the second quarter.

Grayling started the second period with an 11-0 run. The series included a triple by Enos, an inside shot by Dean, a free throw by Enos, another three-pointer from Enos, and a lay-up by Zigila. The Vikings led by 22.

Roscommon converted a three-point play at the 3:57 mark. Grayling outscored the Bucks 17-4 in the second period's final 3:40. Burrell scored two on a put-back. Tobin drove for a lay-up. Zigila hit a three-pointer. Dean scored an inside shot. Enos hit jumpers on

back-to-back possessions. Zigila scored a lay-up following a steal. Guard Devon Dawson hit a jump shot - the last field goal of the period - and Grayling finished the first half with a 50-18 advantage.

Grayling scored 14 points in the third period with a lay-up by Tobin, a put-back by forward Jensen Aubry, a drive by Tobin, an inside shot by Enos, a jumper by guard Scott Parkinson, an inside shot by Aubry, and an inside shot by Dawson. The Vikings took a 64-36 lead into the fourth quarter.

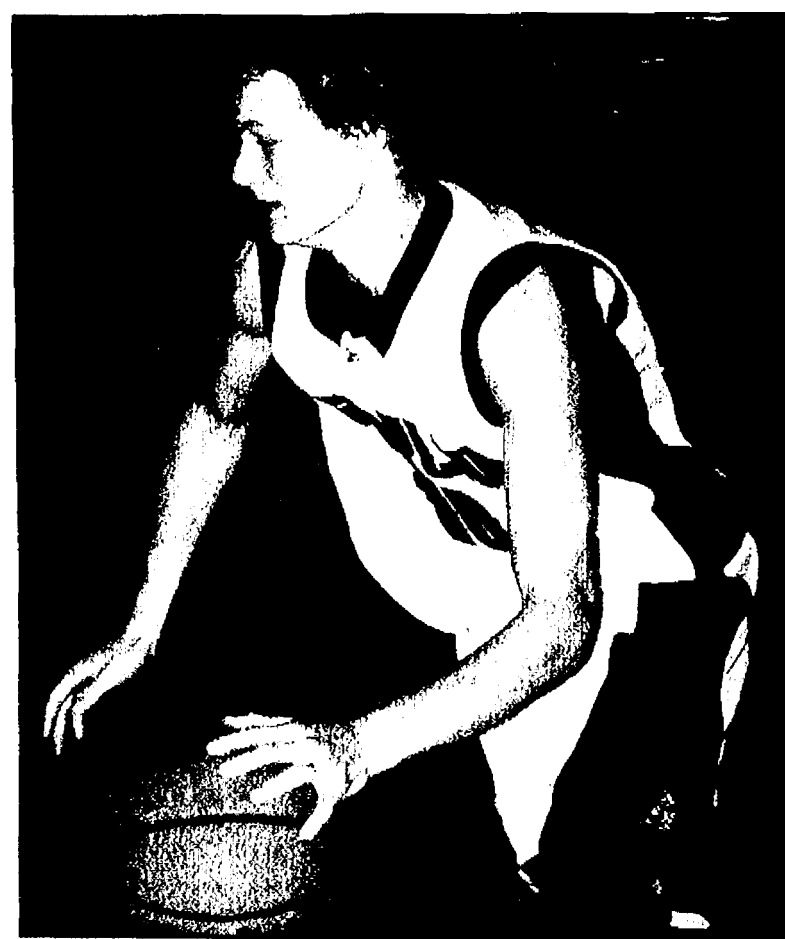

The Vikings outscored the Bucks 16-6 in the final eight minutes of the contest. The Vikings scored points on a put-back by Dean, a jumper by Enos, an inside shot by Burrell, two jump shots by Dawson, a jumper by Burrell, and a free throw by Burrell.

Enos finished with 19 points, Tobin had 14, Dean 11, Burrell 11, and Zigila 11. Dawson added eight

points. Burrell had 11 rebounds and Dean finished with 10 rebounds.

"This was a very good home opener for our team. We started out the first four minutes of the game a little tight, but our team responded and played solid the rest of the game. I loved the fact that we did a great job of sharing the basketball tonight. We made a point of making the extra pass to the open man. Our team played as a group," Coach Rich Moffit said. "We had five players in double figures, which was outstanding. We did a great job of pounding the boards - with our size this is an area that we should excel at."

The Vikings (2-0 overall) will host East Jordan in a league game - Grayling's first Lake Michigan Conference match of the season - on Friday, Dec. 17. The two varsity girls basketball teams will play at 6 p.m. and the varsity boys game will follow.

Devon Dawson dribbles the ball for the Vikings vs. Roscommon on Tuesday.

## Freshman girls fall to Charlevoix

Grayling High School's 9th grade girls basketball team lost 48-18 at Charlevoix on Thursday night.

"They got off to some hot shooting right off the bat and we hung with them, only down 20-12 at half-time, but from there it went

downhill," Coach Brooke Knight said.

Tandy Mitchell scored seven points for GHS. Makayla Cragg had four points, Whitney Schans three, Colbie Wakeley two, and Maddie Nielson two.

"Tonight was a tough game for us, but I think

we'll learn a lot from it," Coach Knight said. "We tried some new things with running a full-court press and setting up more of our offensive sets and we need to continue working on those. I'm proud of the girls for playing hard until the end of the game and for

realizing that we are a much better team than what we showed. We're excited to get back on the court again against Elk Rapids and for our home opener on Friday."

The freshman team (1-1 overall) will host Gladwin on Friday, Dec. 17, at Grayling Middle School.

## JV squad survives fourth quarter push, wins 49-43

Grayling begins season with victory vs. Roscommon

by Caleb Casey  
Senior Staff Writer

Grayling High School's junior varsity boys basketball team survived a fourth quarter run by the visiting Roscommon Bucks on Tuesday night, finishing with a 49-43 victory in the squad's 2010-2011 season opener.

The Vikings edged Roscommon 9-5 in the first period, scoring nine points with a jump shot by forward Wes Dean, a drive by guard Jake Swander, a lay-up by guard Tyler Powers, and free throws by forward Jeff Enos, forward Justice Junttila, and center Louis Menard.

Roscommon scored six points to Grayling's one in the first 3:50 of the second period to lead by one, 11-10. Two free throws by guard Mason Krey gave GHS a one-point lead. Roscommon scored two on a jump shot. Center Levi Korneli scored a jumper and a put-back for the Vikings. At the 2:04 mark, the Bucks hit a three-pointer to tie the score at 16-16.

A jump shot by Powers, a put-back by Korneli, and a lay-up by Powers gave Grayling a six-point advantage with 13 seconds left in the half. With two seconds remaining, the Bucks scored one with a free throw. Roscommon hit a three-pointer at the buzzer, cutting

Blake Hatfield, left, dribbles the ball for the Vikings on Tuesday. Jake Swander, right, shoots for Grayling vs. Roscommon.

Grayling's edge to two, 22-20, at halftime.

Both teams scored 10 points in the third period, leaving Grayling's advantage at two going into the final eight minutes of regulation. The Vikings scored their 10 points with a lay-up by Powers, three baskets by Enos, and a lay-up by guard Blake Hatfield.

Grayling opened the fourth quarter with an 8-0 run to lead by 10, 40-30. The series included a jump shot by Powers, two free throws by Junttila, a put-back by Dean, and a drive by Dean.

At the 4:38 mark, Roscommon converted a three-point play. With an inside shot by Enos and a jumper by Swander, Grayling had an 11-point advantage – the largest lead by either team all night – with four minutes left to

play.

The Bucks scored the next two baskets to pull within seven. Junttila scored a lay-up for GHS. A jump shot by Roscommon cut Grayling's lead back to seven. At the 1:19 mark, the Bucks hit two free throws to pull within five.

With 32 seconds remaining, the Bucks scored a lay-up following a steal. GHS led by four, 47-43.

Grayling turned the ball over with a five-second violation on an in-bounds play. The Bucks tried for three, missed, and the rebound went out of bounds, giving Grayling possession with 20 seconds left. Roscommon fouled the ball carrier, Junttila, to stop the clock. He hit one of two free throws. Junttila stole the ball and the Bucks fouled him again to stop the clock. He made one of two free

throws. Roscommon missed a three-pointer in the final seconds and Grayling held on for a 49-43 victory.

Nine different players scored for Grayling: Powers (10), Junttila (9), Enos (9), Dean (6), Korneli (6), Swander (4), Krey (2), Hatfield (2), Menard (1).

Powers, Enos, and Junttila each had five steals. Junttila had a team-high 12 rebounds.

"We were very tight and nervous for our first game of the year. We dominated in every aspect of the game except shooting. We controlled the boards and created 28 steals. Offensively our nerves showed since we could not calm down to take or make a good shot. In the end we found a way to win," Coach Chris Kucharek said.

The Vikings will play at East Jordan on Thursday, Dec. 16.

## Grayling wins JV game 57-50 vs. Benzie Central on Friday

### Vikings battle back with 15-0 run in second half

by Caleb Casey  
Senior Staff Writer

In a junior varsity boys basketball contest that was close all the way through – the biggest lead for either squad on Friday night was Grayling's 11-point advantage late in the fourth period – but the Vikings ultimately edged the visiting Benzie Central Huskies 57-50 in a game that featured several lead changes.

The Vikings trailed by as many as nine, but a second half rally late in the third period got GHS back into the contest.

Grayling led 15-14 after one quarter of play. The Vikings scored their 15 with a jump shot by guard Jake Swander, a lay-up by guard Tyler Powers, two inside shots by center Jacob Robinson, a lay-up by guard Mason Krey, and free throws by Swander and forward Justice Junttila.

Two baskets by Powers gave the Vikings a five-point lead. Benzie scored two with an inside shot. A drive by Powers put Grayling back up by five. The Huskies hit a three-pointer. At the 1:35 mark, Benzie Central hit another triple, tying the score at 22-22. The Huskies made a lay-up to lead by two. Robinson scored two on a

put-back. The Huskies hit the last shot of the period and led by two, 26-24, at halftime.

Benzie Central opened the third quarter with a lay-up. A three-pointer by Powers cut Benzie's lead to one. The Huskies scored six unanswered points to lead by seven. Powers scored a lay-up for GHS at the 5:22 mark. Benzie scored the next two baskets to extend its lead to nine – the largest advantage for either team so far.

Grayling rallied, outscoring Benzie 15-0 in the next five minutes of clock time – the last four minutes of the third quarter and the first minute of the fourth period. The series included an inside shot by Robinson, a lay-up by Powers, a three-pointer by Krey, a put-back by Robinson, an inside shot by forward Jeff Enos, a put-back by center Louis Menard, and free throws by Krey and Enos.

Benzie Central broke its scoreless streak with a lay-up at the fourth quarter's 6:44 mark. Enos scored two for GHS with an inside shot. Swander scored a lay-up. The Huskies hit two free throws. Swander hit a jump shot to put GHS back up by nine. A lay-up by Swander at the 3:14 mark gave the Vikings their biggest lead (11) of the

night.

Benzie Central scored the next six points – hitting four free throws and one jumper – to pull within five with 2:18 remaining. Guard Blake Hatfield hit two free throws for GHS. In the final two minutes, Benzie Central scored only two points, hitting a jump shot at the buzzer. Grayling added two more points down the stretch with a pair of free throws by Powers.

GHS won by seven, 57-50.

Powers had 17 points and five steals for GHS. Robinson finished with 10 points and six rebounds.

Swander had 10 points. Enos had eight points, five rebounds, and five steals. Krey had seven points.

"Jacob Robinson, (also known as) Big Country, had a huge game. Big Country, along with Louis Menard, changed the game with their low post play in the second half. Tyler Powers controlled the game for us and had a career high 17 points. Jake Swander, Blake Hatfield, and Mason Krey all made key plays at some point," Coach Chris Kucharek said. "This is a big win for our team."

The victory improved the team's record to 2-0.

## 9th graders win by 17 vs. Bucks

The GHS 9th grade boys basketball squad defeated the Roscommon Bucks by 17, 51-34, in a game played at Grayling Middle School last Tuesday.

"The team came out a little nervous in the first quarter and struggled putting the ball in the basket. The press forced the Bucks into a lot of turnovers, which we struggled converting into points in the first half. The team did a nice job of staying composed twice when we were down early. They used their aggressive play to continue to cause turnovers and they eventually began to convert them into points. I was very happy with their attempts at running our secondary break

and fast break," Coach Craig Hofman said.

"We came out in the third quarter and continued to control the floor with the press. We scored 13 points in the third quarter and most of those came in the first two to three minutes, which extended our lead. We hit a bit of a lull in the middle of the third but had some big shots at the end of the period to push the lead to 16 points. The lead gave us a chance to get a lot of players in," Coach Hofman said.

Tyler McClanahan had 15 points, six assists, and five rebounds for GHS. Peyton Zigala had six points, five steals, and four rebounds. Geoff Wilson had

six points. Michael Branch had four points, seven steals, and five rebounds. Matt Burrell, Gage Albright, Richie Sanford, and Tyler Summers had four points apiece. Mitchell Thompson had three points.

"I was pleased with our effort. We need to continue working on our fast break, secondary break, and half court offense. Rebounding will be an emphasis in practice," Coach Hofman said. "The team effort was outstanding. I felt that no matter who was in the game, they gave a good effort and now – with a game under our belts – that effort, experience, and ability will continue to grow all season."

Grayling (1-0 overall) will host East Jordan on Friday, Dec. 17, at Grayling Middle School. Grayling's freshman girls basketball team will play Gladwin at 6 p.m. and the 9th grade boys will play EJ after that.

## JV, varsity squads fall to Tawas

Grayling High School's varsity girls basketball squad fell 53-44 vs. the Braves at Tawas last Wednesday.

"Tawas is an extremely quick team which pressed us the entire game. As a result, we pressed them right back and caused many turnovers. We still need to be able to convert their turnovers into points but we continue to get better each and every day," Coach Joe Powers said. "I am proud of the way the girls approached an excellent team. They played tough, determined basketball."

Jo Hamlin scored 19

points for GHS. Abbey Thomas finished with 14 points and 11 rebounds. Ann Hamlin had eight rebounds.

Grayling (1-2 overall) will host East Jordan on Friday, Dec. 17, at 6 p.m.

\* \* \*

The junior varsity girls basketball team from Grayling High School lost 67-22 at Tawas last Wednesday. The game was added to Grayling's schedule after Lake City opted out of a contest slated for Dec. 7.

"We picked up Tawas so that we would not have a 13-day layoff," Coach Doug

Pummell said. "They have a very good team that pressed well and was extremely quick. They beat us really bad in rebounding, which led them to outshooting us 82-26. We learned some things and Rachel Dubriwny played well in her first game."

Dubriwny and Hannah Haven each scored seven points for GHS. Tara Pummell and Alyssa Morley each scored four points. Meagan Malm had five rebounds.

The Vikings (2-1 overall) will play at East Jordan on Thursday, Dec. 16.

## Kirtland Basketball

**Men's Team** - The Kirtland Community College men's basketball team handed Glen Oaks Community College its first loss of the 2010-11 season, as the Firebirds topped the Vikings, 68-65, in a second-round clash of the Holiday Inn/Thunder Bay Classic hosted by Alpena Community College on Saturday, Dec. 10.

The Vikings (9-1 overall) rallied in the second half and outscored Kirtland, 37-34. But that wasn't enough, after the Firebirds (8-3 overall) had battled their way to a 34-28 lead at the half.

"It was a good win for us," Kirtland head coach Ty McGregor said. "Glen Oaks was undefeated going into today's game."

It was also the second hard-fought win for Kirtland at the annual tournament. On Friday night, the Firebirds edged Muskegon Community College, 76-74, in an opening round matchup.

Sophomore forward-center Dmitry Martynenko (Moscow, Russia) paced the Firebirds with a double-double Saturday, as he tallied 12 points, 11 rebounds and 2 assists against Glen Oaks. Freshman forward-center Stavros Schizas (Salamina, Greece) had 13 points, 7 boards, 3 steals and 2 assists. Freshman guard Chris Jones (Saginaw Heritage) had 12 points, 8 rebounds, 1 assist and 1 steal in the win.

A trio of Firebirds scored in double figures to help power the Kirtland to a thrilling 76-74 win over the Muskegon Jayhawks on Friday, Dec. 10, in a first-round clash of the Holiday Inn/Thunder Bay Classic.

The Firebirds fought their way to a 35-31 advantage at intermission and then held on for the two-point tournament victory over the Jayhawks.

Harrison helped pace Kirtland with a team-high 17 points, 4 rebounds, 4 steals and 3 assists. He had plenty of help, as Martynenko added 14 points and 9 boards, and Nichols chipped in with 11 points, 4 rebounds, 4 assists and 2

steals.

\* \* \*

**Women's Team** - For the second consecutive game, a member of the Kirtland Community College women's basketball team had what might have been one of their finest games in a Firebirds uniform.

And, this time, it came in a Kirtland win, as the Firebirds topped Glen Oaks Community College, 66-61, in a second-round clash at the Holiday Inn/Thunder Bay Classic hosted by Alpena Community College on Saturday, Dec. 11.

Sophomore guard Gina Gerow (Tawas) scored a season-best 23 points, as well as tallying 5 steals, 3 assists, 2 rebounds and 1 blocked shot, in a first-round loss to Muskegon Community College on Friday, Dec. 10.

But, such an effort wouldn't go wasted Saturday against the Vikings (5-5 overall). Sophomore forward-center Teri Taylor (Clare) dominated Glen Oaks inside, scoring a team-best 27 points and leading the Firebirds (3-7 overall) on the glass with 12 rebounds in the tournament win.

"She probably had her best game of her career," Kirtland head coach Tom Ritter said of Taylor, who also had 1 blocked shot.

Ritter added part of the plan against the Vikings was to go inside to Taylor.

"That was part of it," he said. "And, today, we were able to make it work."

Gerow followed up her outstanding performance from Friday with a solid overall game Saturday, posting 12 points, 5 rebounds, 4 assists, 2 blocked shots and 1 steal. Freshman guard Josie Wiltse (Ogemaw Heights) chipped in 11 points, 1 board and 1 steal.

Kirtland found itself having to rally in the first half, as the Vikings edged out to double-digits leads at least twice in the opening 20 minutes of play. But the Firebirds were able to battle back for a 34-32 lead at intermission.

"It was back and forth after that," Ritter said.

After struggling to shoot

the ball in recent games, Kirtland hit 41 percent from the floor in the first half and 36 percent in the second half. That was key for the Firebirds, according to their coach.

"We made our shots basically," Ritter said. "We ran our offense the way we were supposed to. And, we played tough man defense, which took away Glen Oaks' fast break."

Kirtland couldn't hold onto a slim half-team lead, falling to Muskegon, 74-67, in a first-round tournament matchup at the Holiday Inn/Thunder Bay Classic on Friday, Dec. 10.

The Firebirds built a one-point advantage, 31-30, at the break. But the Kirtland cagers couldn't keep up the defensive pressure that had proved so successful in the first half. That allowed Muskegon to outscore the Firebirds after intermission, 44-36.

"We pressed them in the first half," Ritter said. "We built up a good lead, but we gave it away."

"In the second half, it was a two- to four-point gap most of the way," he added. "But, then they started getting to the foul line late and that was the game."

At times, the Jayhawks outpowered their way inside to get to the basket and grab key rebounds. Muskegon outrebounded Kirtland by 19 boards and outgunned the Firebirds, 18-9, on second-chance baskets. They totaled 48 points in the paint in the tournament win, compared to just 24 for Kirtland.

"Our last four games have come down to the last couple minutes," Ritter said. "We just haven't been able to close the deal. But we're getting there."

Despite the loss, Firebird fans had plenty of reasons to cheer. Gerow scored a season-best 23 points, as well as tallying 5 steals, 3 assists, 2 rebounds and 1 blocked shot, in what might have been her finest game in a Kirtland uniform. Taylor posted a double-double with 18 points, 12 rebounds, 2 blocked shots and 1 assist.

# Varsity squad rallies in fourth quarter to beat Benzie by six Vikings, down by as many as 14, win 78-72 Friday

by Caleb Casey  
 Senior Staff Writer

Grayling trailed Benzie Central for most of Friday's varsity boys basketball contest — the Vikings were behind by as many as 14 points in the first half — but the team rallied in the fourth quarter to win by six, 78-72, in a nonconference game hosted by Grayling High School.

The Huskies of Benzie Central hit a three-pointer on the first possession of the game. Grayling scored the next nine points with two inside shots by forward Jensen Aubry, two free throws by center Griffin Dean, and a triple by guard Zane Tobin. Benzie scored two on a jump shot. Guard Riley Zigala hit a three-pointer for GHS. The Huskies made a lay-up. Forward Steven Enos drove to the basket for two. Benzie converted two free throws. Enos scored Grayling's last two baskets of the first period. Benzie outscored GHS 9-0 in the quarter's final three minutes to lead by one, 19-18.

Grayling scored the first four points of the second

quarter with free throws by Enos and Zigala. Benzie Central responded with a 17-0 run — a series that included three triples, three put-backs, and one lay-up — and the Huskies led by 14, the largest advantage either team would have all night.

Zigala hit a jump shot for the Vikings. Tobin scored three-pointers on back-to-back possessions for Grayling, cutting Benzie's lead to six, 36-30. The Huskies answered Tobin's second triple with a three-pointer of their own. A jump shot at the 1:45 mark gave the Huskies a 10-point lead.

Guard Scott Parkinson scored a lay-up for Grayling. Benzie hit a three-pointer and a lay-up to lead by 11. Grayling scored the last four points of the second quarter with lay-ups by Parkinson and Enos.

Benzie Central led 46-37 at halftime.

Dean scored two for Grayling with a pair of free throws. Benzie Central scored two inside shots to lead by 11. Enos scored two with a drive to the basket. The Huskies scored a lay-up to lead by 11 again.

Grayling scored seven unanswered points with an inside shot by Dean, a triple by Enos, and a drive by Tobin. A drive by Enos at the 5:07 mark cut Benzie's lead to three.

The Huskies hit a three-pointer — their eighth triple of the game — to lead by six. Zigala hit an inside shot for

GHS.

Benzie scored two on an inside shot with 45 seconds left in the period. A drive by Enos cut Benzie Central's lead to four. The Huskies scored the last basket of the quarter — a three-pointer — to lead by seven, 62-55, going into the final eight minutes

## Varsity squad rallies in fourth quarter to beat Benzie by six

Continued from Page 14

Grayling outscored Benzie 9-1 in the first two minutes of the fourth period. The series included a free throw by Dean, a three-point play by Enos, a lay-up by Enos, and a three-pointer by Tobin - his fourth triple of the contest. GHS led by one.

Benzie hit a jump shot at the 5:52 mark. Tobin fouled out for Grayling with 4:49 left in the game.

Grayling scored eight unanswered points - six by Enos and two by forward Tom Burrell on a put-back. Grayling led by seven.

Two free throws and a three-pointer by Benzie Central cut Grayling's advantage to two, 72-70. Enos hit one of two from the free-throw line at the 1:17 mark. Zigila stole the ball and Benzie fouled Enos to stop the clock; he hit both free throws to give GHS a five-point lead. Parkinson stole the ball, Parkinson fouled, and Grayling missed both free throws.

Enos intercepted a Benzie pass and the Huskies fouled him to stop the clock at 0:33. He made one of two free throws. Benzie scored

two on a put-back to pull within four. Benzie fouled Enos and he made one of two at the line. Benzie missed an inside shot and Grayling secured the rebound. Benzie fouled; Enos hit one of two at the free-throw line. The Huskies missed a three-pointer in the final seconds and Grayling won by six, 78-72.

"This was a great win for our kids. We struggled in the second quarter, but our kids responded with a tough second half of basketball," Coach Rich Moffit said. "I thought our team was very resilient and we fought through some adversity to win this game. We forced 27 turnovers and had a great fourth quarter in which we outscored Benzie 23-10."

"Zane Tobin hit a pair of big time threes to get us back in the game. Steven Enos showed leadership down the stretch and made some huge plays. Jensen Aubry is our 'glue guy.' He makes winning plays at both ends of the court. Griffin Dean fought through foul trouble and was a man on the boards in the second half. Riley Zigila played solid defense

and hit some timely shots for us. Devon Dawson and Scott Parkinson did a nice job of playing solid defense in the fourth quarter," Coach Moffit said.

Enos finished with 37 points for Grayling, 17 of which came in Grayling's 23-10 fourth quarter surge. Tobin had 14 points, including 12 on four three-pointers. Dean had eight points and 11 rebounds. Zigila fin-

ished with nine points.

*The Crawford County Avalanche is now posting scores for the basketball team, along with those of other Grayling High School sports, on its Web site as they become available. The "Scoreboard" is listed in the "Latest News" box on the site's home page at www.crawfordcountyavalanche.com.*

## RECIPE OF THE WEEK

### CHOCOLATE RASPBERRY NAPOLEON

#### Ingredients:

1 sheet frozen puff pastry (1/2 of 17.3-oz. pkg.), thawed  
7 squares Semi-Sweet Chocolate, divided  
1 cup whipping cream

6 oz. (3/4 of 8-oz. pkg.) Cream Cheese, softened  
1/2 cup powdered sugar  
2 Tbsp. raspberry-flavored liqueur  
1 pkg. (6 oz.) fresh raspberries (about 1-1/2 cups)

#### Directions:

HEAT oven to 400°F.  
UNFOLD pastry sheet on lightly floured surface; cut along fold lines into 3 rectangles. Cut each rectangle crosswise into 4 smaller rectangles; place on baking sheet. Bake 15 min. or until golden brown. Remove to wire racks; cool completely.  
MEANWHILE, melt 6 chocolate squares as directed on package; set aside. Beat whipping cream in medium bowl with mixer on high speed until soft peaks form.  
BEAT melted chocolate, cream cheese, powdered sugar and liqueur in large bowl with mixer on medium speed until well blended. Whisk in whipped cream.  
SPLIT each pastry rectangle in half. Spread each bottom half with 3 Tbsp. chocolate mixture. Cover with raspberries and pastry tops. Melt remaining chocolate square; drizzle over pastries.

Prep Time: 25 min  
Total Time: 40 min  
Makes: 12 servings

sled, which officials estimated to be over 100 years-old based on similar sleds on display at the Hartwick Pines State Park.

"You can't help but be amazed about the amount of effort that went into building this thing," he said.

Duran said it took days to loosen the bolts and metal fixtures that held the sled together.

Two 20-inch by 12-inch oak beams make up the main frame of the sled. One of the beams came from a tree harvested from Grayling Fire Chief Russ Strophaul Jr.'s property. Another beam came from a sawmill owned and operated by Grayling Fire Department Capt. Steve Eddy.

"That made it fun for me because I love working with wood," Duran said. "We did a lot of work this year and that was huge."

Duran ordered special equipment through McLean's Ace Hardware to drill holes in the sled and wire brush and preserve the metal fixtures.

"I thought I pretty much had everything," Duran said as far as his collection of tools.

Duran informed Grayling Mayor and retired Police

One of the sleds runners is placed on a huge beam for the sled.

Chief Karl Schreiner of work being done on the sled this fall during a visit over coffee. His brother-in-law Mike Vogel, who also recently retired, assisted with the project.

"It took some time, but everything just started coming together," Duran said.

Schreiner credited Duran for taking the lead on the project to preserve a community artifact.

"Joe's a great guy, he's knowledgeable and he's fun to work with," Schreiner said.

Schreiner wire brushed the metal parts before they were primed and painted. He also chiseled wooden pieces where the parts of the logging sled comes together.

er. The sled is under wraps in a trailer and will be unveiled to the community once a majority of the snow has melted away on Crawford County Historical Museum grounds.

"Hopefully, if all goes smoothly, by time the time tourists start coming to town in the spring, they will have a logging sled to look at," Schreiner said.

Duran said it was heart warming to be part of such a community project.

"Now, we have something that won't rust and it will last forever," Duran said. "You could literally hook a team of horses to the sled right now and go to work."
